Queen's Jubilee on the Field 27th May 2022

Dear Parents and Carers,

11th May 2022

We are very much looking forward to seeing as many of you as possible at our Queen's Jubilee celebrations on Friday 27th May 2022 on our Junior School field. It is hoped this letter will provide some of the finer details for this occasion.

If you have a child at our Infant school and you are intending on joining us from 2:00pm alongside them, we are asking you to collect your child from the Infant school at 1:30pm to take them yourselves to the Junior school. This will help the Infant staff get the remaining children to the Junior School with all their belongings, whose parents are not able to join us. Parents not attending are able to nominate another parent who has agreed to take charge of their child in their stead for the entirety of the occasion. Please note that any child collected by their parent or nominated adult will be under their parent's or their nominated adult's control and supervision during the proceedings.

Junior School children will be able to attend from 2:00pm meeting any parents on the back field as children will be brought out by staff. Children will be taken to their class designated areas around the field.

Parents attending are welcome to bring their own food to snack on with their children if they wish, but please know that all children will have been given their lunch at the normal school time. Please ensure all litter is either placed in our litter bins or taken home with you.

The field will have a central area for our choir performance, space for any entertainment stalls and designated and signposted positions around the field for the different classes to sit together.

Please complete the reply slip below indicating whether or not you will be collecting and attending yourselves or the name of the adult who will be taking charge of your child.

We hope, like us, you are all looking forward to being part of this event.
