

Federation Action Plan

Child Copy

How can we make our school better?

- Help everyone in our Federation embrace what we feel is important for everyone in our school community (Our Vision Straplines).
- Make further changes to our curriculums so that we can enjoy learning outdoors.
- Create opportunities where we can learn about those who are different to us through their jobs, religions and cultures.
- Make sure that we get better in our Reading, Writing and Maths across the Federation.

What are we going to do?

- Help our Governing Body grow in number by finding new people with new skills to join them.
- Help our staff teach to the best of their abilities and to ensure our learning becomes even stronger.
- Help make our schools look and feel even better for everyone with new developments.
- Show how we always keep positive in the face of challenges with our growth mindsets.
- Help our schools create spaces where we can share our worries and gain the skills to deal with difficult things we may have to face from day to day.
- Use trips inside and outside of the County to inspire us to learn more about the world.
- Get smarter at how we write with independent flair, how we read with fluent confidence and how we solve mathematical problems with a logical sense.
- Help us to keep our Federation a place where our behaviour is always as good as it can be, our attitudes to our learning are strong and we work hard for ourselves and each other.
