Vision & Ethos

Our school vision is to ensure we create a nurturing environment underpinned by strong values.

Our whole school community is a “family” where every child is treated individually and challenged through fantastic teaching to develop their uniqueness and uncover new talents. At Ormesby Village Junior School, we “Aspire, Acquire and Achieve.”

We are a school community that cares for, values and encourages all the children within our care.

Values

Across our Federation, our values, as chosen by all stakeholders (Honesty, Friendship, Respect, Togetherness, Aspiration, Resilience, Nurture and Family) are taught in class, in Good Work collective worships and at other times throughout the day.

They underpin all practice within the school and adults working in school model these values at all times.

Uniform continued...

- Jewellery should not be worn to minimise the risk of accidents and the possibility of loss or damage. The only exception is for children with pierced ears who may wear a small, single stud in each ear, provided that they are removed for PE and swimming lessons. The children are responsible for removing their studs and if this is a concern to parents then we recommend that studs are not worn on days when there is PE or swimming. In addition, children may wear a watch. The children are responsible for removing and collecting watches before and after PE lessons.

- Mobile 'phones are not permitted in school. Any parent, who wishes their child to carry one for travel / arrangements outside school, should ensure that it is handed in to the school office for safe keeping during the school day. Please ensure these are switched off.

Safeguarding

Your children will be very safe here with us.

As trained staff we have a duty of care to all our children.

We must report any issues, which we feel contravene the child protection guidance we receive.

Key policies supporting this and other areas of the school are all available via our school website.

Additional Needs, Nurture & Intimate Care

Some children may have additional needs or require support. All our staff are highly experienced and will support you and your child.

We have a dedicated SENCo, who works closely with staff and parents to ensure children are well supported.

We have fantastic nurture provision (The N.E.S.T.) and this is an area of the school we are expanding. We also use Sensory Circuits each day for children who benefit from this.

Our staff follow an Intimate Care Policy if dealing with any issues of a medical/personal nature.

Free school meals, school meals and milk - Norfolk County Council

Pupil Premium Funding and Free School Meals

Norse are our catering providers, so please enjoy the meals they will be cooking. Children are often involved in meal choices and themed days/competitions will be run to make lunches even more appealing.

Extra-Curricular Activities & Childcare

This sports-orientated and active After-School Club runs from 3:15PM to 5:00PM on Monday and Wednesday and until 4:45PM on Tuesdays. Staff operate a walking bus between the Infant and Junior schools to enable pupils from both schools to attend it.

We have access to an outdoor nature area all year round.

We have a Gymnastics Specialist, Music specialist and termly enrichment sport sessions. As the children become more familiar with the routines of the school, there will be the opportunity to attend clubs. We have had Tag-Rugby, Ultimate Frisbee and Boys' & Girls' Football.

All charged services must be paid for promptly on our cashless system, ParentMail.

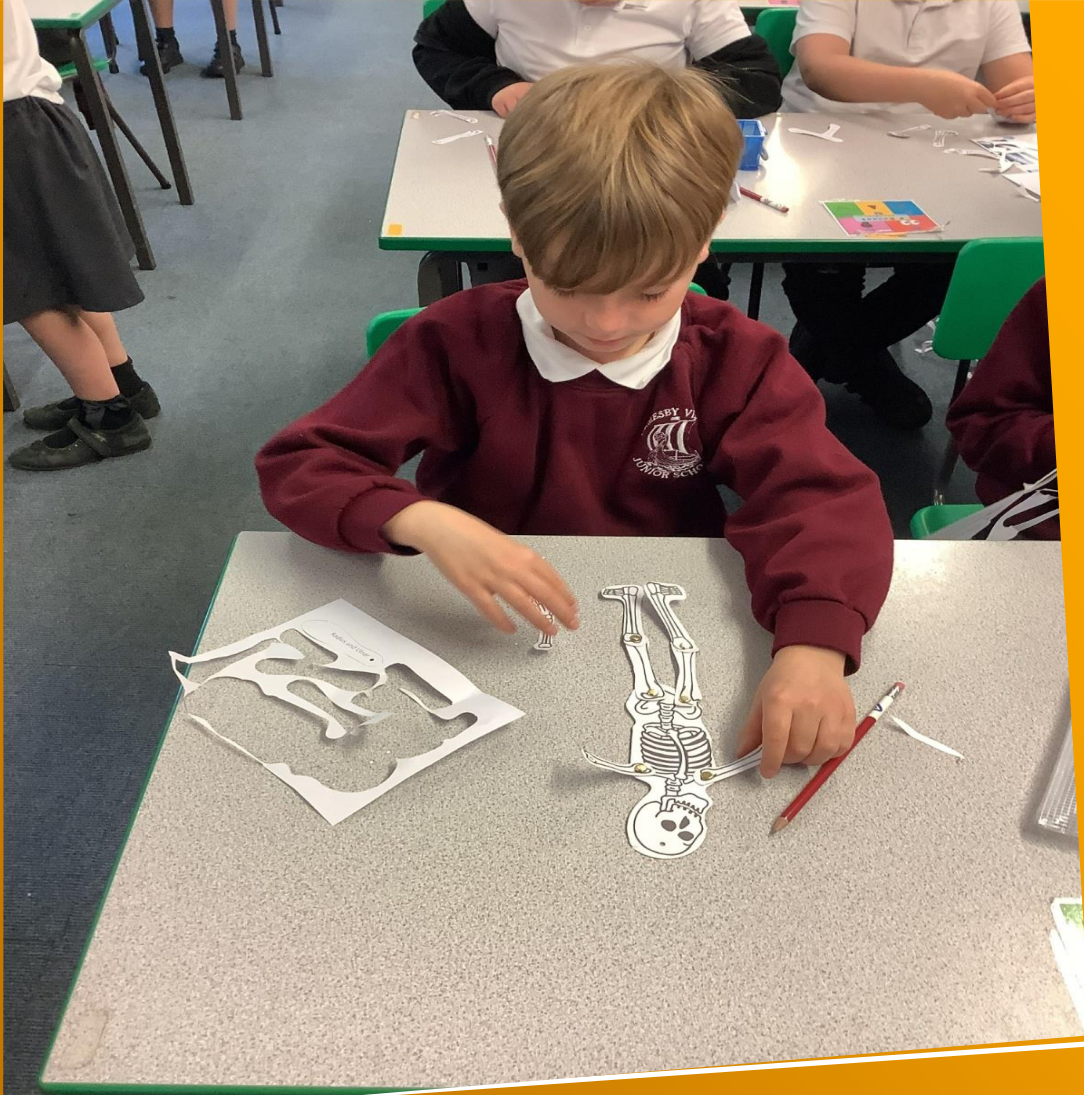

We have an exciting, immersive learning classroom being built over the Summer break.
