Dear Parents/Carers,

5.1.24

To support the Year 6 pupils with their SATs preparations, we would like to offer the opportunity for the Year 6 pupils to attend a weekly booster session in order to provide some additional reassurance in key areas of Mathematics and/or English.

Children will be organised into small groups and will be taught by Ms. Newman and Mr. Young. Staff will be happy to provide this for one hour a week on a Tuesday afternoon from 3:30-4:30pm taking place from Tuesday 9th January up to and including Tuesday 7th May 2024.

This offer is by no means compulsory, but it would be amazing to see as many pupils there as possible, who wish to practise a bit more and build their confidence. Like with all extra-curricular activities, behaviour will be exemplary from all who attend to ensure all participants get the maximum benefit from the sessions.

If this is something your child would like to participate in, please fill out and return the reply slip below.

We look forward to seeing you there.

Many thanks,

Bradley Young
Headteacher
