Dear Parents/Carers,

20.5.24

Ormesby University Reminder

Ormesby University was launched right at the end of the Summer term last year allowing those children interested the Summer holidays to begin collecting signatures for all the extra-curricular clubs and activities they were participating in. These signatures were to be collated inside a passport booklet throughout the year. The children have until **Friday 14th June 2024** to complete their booklet and hand them in to the Office in order to be included in the graduation ceremony taking place on **Wednesday 10th July 2024** at 10:00am in St. Margaret's Church. Once, the number of completed booklets has been received and verified, another letter will be sent to invite you to attend the graduation ceremony.

How can you earn points?

Children can earn university points in a variety of ways:

- Attending lunchtime or after school clubs provided by the school.
- Taking part in our half-termly enrichment days.
- Attending clubs outside of school (if the club is willing to participate)
- Visiting museums, libraries or other educational sites.

Each session that is attended will earn a child one signature point. Once enough signature points have been collected and the books are completely filled, pupils will be able to graduate.

How will you keep track of your signature points?

Each child was given an Ormesby University Passport that they had to use to keep all of their signatures in one place. They will have needed to take the passport with them to all clubs that they attended and have asked the leader politely to initial and date the next available box. It is very important that they keep their passport in a safe place. Please note that it is your child's responsibility to remember their passport at each club and ask for it to be signed and dated. Once a passport is filled, your child must inform the Office in order to get the next coloured passport (unless it is their first graduation).

All passports must be kept by your child as an evidence record until the set deadline. Only full booklets will be accepted. Booklets not signed, dated or back-dated will not be accepted, as we wish to ensure the achievement of this award remains special.

We look forward to seeing the completed booklets once the deadline of Friday 14th June 2024 has passed.

Yours sincerely,

Bradley Young
Headteacher
