Dear Parents and Carers,

21.6.24

On Monday 8th July, the Junior school will be hosting their Sports' Day events across the afternoon on this day. If poor weather forces us to postpone proceedings, we have Tuesday 9th July as a reserve day. However, we are positive this will not be necessary. This year, we are going to put all Junior classes together instead of having it held over two consecutive afternoons.

It would be great if parents could attend to support and encourage all participants on these enjoyable occasions. We will move lunch timings forward by thirty minutes, to allow us to begin proceedings at 1:00PM and hope to have all events completed by 3:30PM. Parents are asked to enter the playing field using the wooden gateway from the car park. Whilst spectating, parents will be asked to remain in the parents' area, which will be alongside the straight track, facing all events. If any parent wishes to use the toilet, please use the entrance door signposted on the map attached to access the disabled toilet. Similarly, if there are any pre-school aged children in attendance and need the toilet, we ask that the same disabled toilet be used. Siblings of Junior children at our Infant school will be supervised there until collected. Alternatively, another adult could collect the Infant child from the school at the normal time.

Prior to the afternoon, staff will arrange with the children which events they will be taking part in and carry out some practice. On the day, the children will be split into their House Teams and based in House pens to allow staff to ensure pupils are ready for their races at the appropriate times. If any pupil needs the toilet, staff will be there to ensure this is facilitated and pupils return to their pens ready for their events. There will be a carousel of field events first, before moving over to the track events. A PA system will announce each race in turn and will keep proceedings moving along. Pupils will compete in both single year group, as well as mixed year group events. These events may be subject to small changes. Pupils are also asked to come to school in a T-shirt in their House Team colour, but please do not worry if any pupils do not have such a thing, as pupils without one will be given a coloured sash to wear.

Carousel Field Events (See map):

Bean Bag (3&4) Foam Javelin Throw (5&6)
Standing Long Jump
Scissor High Jump
Shot Putt

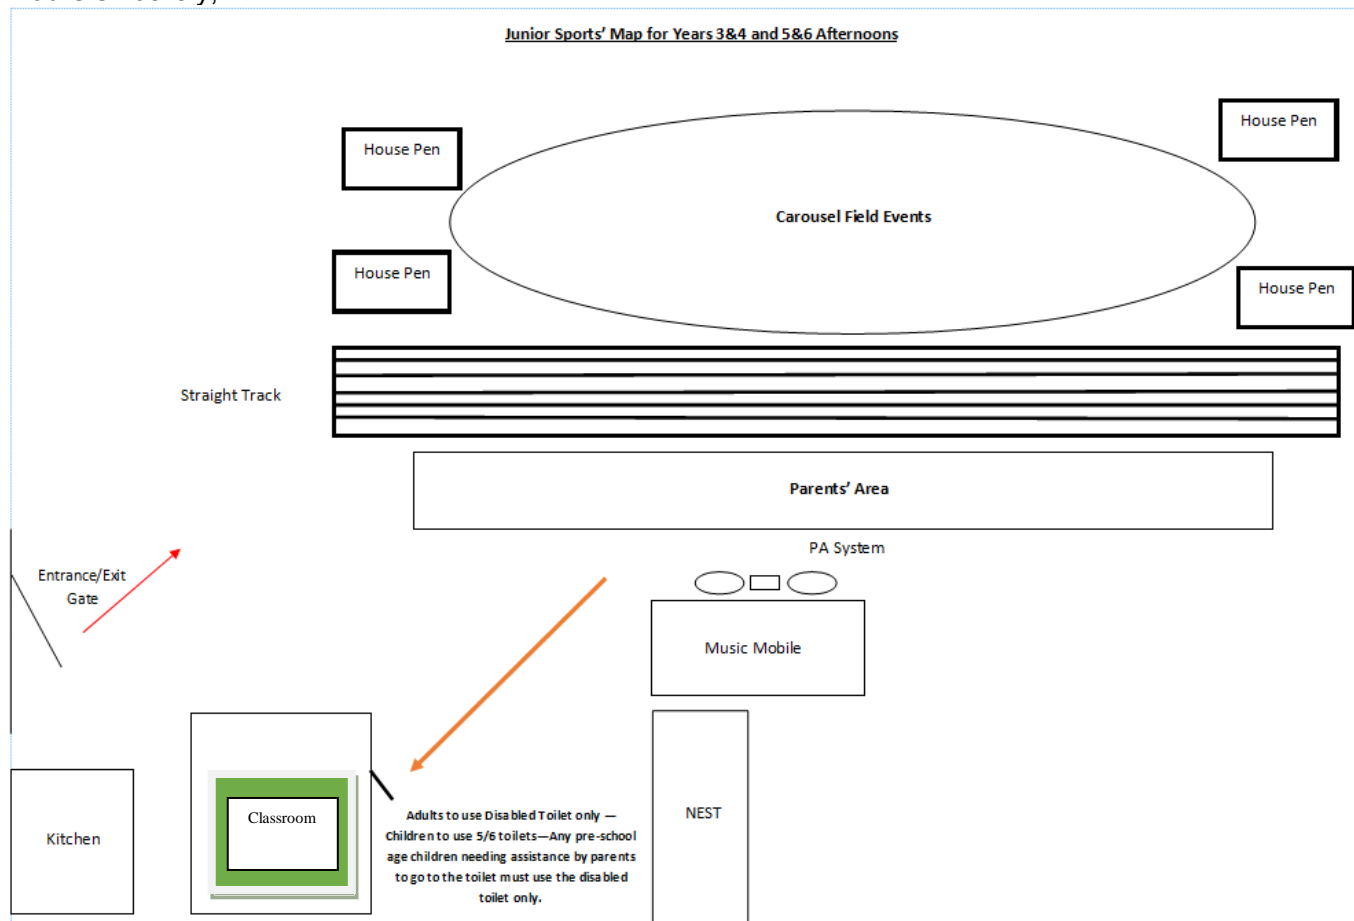

Track Events:

60M (Y3&4) & 80M (Y5&6) Straight Sprints
Baton Relay Race (Up and Back)
Tennis Racquet and Ball Balance Relay Race (Up and Back)
Obstacle Course Race (Bean Bag Balance/Hurdles/Hula Hoop/Space Hopper (3&4) & Skipping Rope Run (5&6)
Over and Under Tunnel Ball Race

Scores will be kept throughout the afternoon and the winning House Team will be selected once all scores have been tallied. At the close of events, all children will be asked to return to classes with staff to gather belongings and to enable everyone to be handed over safely in the normal manner at the end of the school day on the front playground.

We hope everyone does their best and enjoys two wonderful afternoons together. We look forward to seeing you there.

Yours sincerely,

Mr. Bradley Young
Headteacher
