

Federation Action Plan

Child Copy

How can we make our school better?

- Help everyone in our Federation embrace that everyone is different and that makes our community special.
- Make further changes to the activities we complete in our curriculums so that all of us are pushed to achieve.
- Create occasions where we learn how to deal with change better in our daily learning and we show a growth mindset.
- Make sure that we all get better in our Reading, Writing and Maths across the Federation no matter where we are starting from.

What are we going to do?

- Help the new members of our Governing Body understand our schools better and manage them well.
- Help our staff and pupils learn how to look after themselves better when working and when in school.
- Help make our Federation a place where we care about the environment around us.
- Make sure everybody in our schools know they belong and can do well no matter what background they are from.
- Keep our schools wonderful and welcoming places to learn so that every one of us rushes in every single day with a smile on our faces.
- Arrange new events to help meet different people from all over the world to learn how they live differently to us.
- Get smarter at how we explain our maths, how we understand the very basics of writing and how we read with expression, flair and enjoyment.
- Help us to keep our Federation a place where our behaviour is always as good as it can be, our attitudes to our learning are strong and we work hard for ourselves and each other.
